

Lucky 7s Bonus Payout Tables

We want to give back to all the people who support our program. Our stallion owners make this program possible by the nomination of their stallions. We appreciate all they do for our industry. Our breeders are buying our stallion contracts and listing offspring on our Offspring Auction. Lastly, our owners who purchase off our auctions as well and compete at these events. We could not make this program possible without any of these people!

Breakdown of our events (Will be paid out in a 4D format):

20% - Stallion Owner (OR mare owner if dam is nominated) (will split 50/50 if both dam and stallion are nominated)
