

2024 Lucky 7 Bonus Stallion Auction

The Lucky 7s Bonus is a program for foals sired by stallions that are nominated to the Lucky 7s auction. Foals conceived in the year a stallion is paid will be eligible to compete for prize money as well as any foals that are of competing age the year the stallion is nominated. There are no nominations for foals. If a stallion drops from the program, all foals conceived from that date forward will not be eligible to compete for prize money.

_____ (Option #1) Nominate stallion by donating breeding to the stallion auction.

_____ Minimum bids start at \$350 unless otherwise stated by the stallion owner. If the minimum bids are not met, the stallion owner is responsible for paying \$350 for stallion progeny to be eligible (Due 3/1/23). **Enrollments for the auction will be due 1/15/24**

_____ (Option #2) Nominate stallion as a reference sire

\$350 nomination due in office by 3/1/24. This stallion will not be included in the stallion auction. We will accept enrollments throughout the year and will NOT cap the number of stallions. If enrolled after 3/1/24, there will be a \$100 late fee.

The more stallions we have enrolled means more payouts throughout the year! All proceeds will go towards added money bonus payouts at events across these 7 states: Colorado, Minnesota, Montana, Nebraska, North Dakota, South Dakota, and Wyoming. Breakout will be as follows: **90% to payout at events and 10% to managing & advertising costs.**
